6. PROCEDURE

<u>Step</u>	<u>Actionee</u>	<u>Action</u>
6.0	Headquarters Employee	Service Requirement identified in memo, e-mail, verbal request or form requesting service or product.
6.1	Action Recipient	Evaluate requirement upon receipt and pass on to the pertinent action officer, as designated in the HQPG 1590.1A Operations Service Guide, for assessment of appropriate signatures and approvals, verification of funding, and development of an approach plan to meet the customers requirements.
6.2	Action Officer (AO)	Is it feasible to accommodate request during the current fiscal year, or is there a policy change or organizational change which would prohibit completion of the request? If No, proceed to 6.3. If Yes with modifications, proceed to 6.5. If Yes, with no modification, proceed to 6.6.
6.3	AO	Notify customer if the request can not be completed by returning request with an explanation.
6.4		The process ends.
6.5	AO	Return to customer for modification with explanation, if not modified by the Action Office. The request is then returned to review cycle, 6.1.
6.6	AO	Determine method for fulfilling the requirement based on documented procedures/regulations, existing contracts, and availability of action officer.
6.7	AO	Which approach chosen? Proceed to 6.8 if performed internally, 6.9 if submitted to a supporting organization, or 6.10 if a new procurement action is required.
6.8	AO	Perform task, in-house, in accordance with references in Section 4 covering each product or service.
6.9	AO	Prepare task description of work to be done by defining requirements and specifications and insert into format for task orders, contract modifications or technical direction and submit to the supporting organization (internal or external to NASA Headquarters) for implementation.
6.10	AO	Prepare procurement request to include funding and service requirement specifications for new contract and submit to GSFC/HQ Procurement Branch.
6.11	AO	Receive completed task from supporting organization or new contractor.
